

MINISTÉRIO DO TURISMO

PROJETO: Som Circular

Local: Praças do Município de Leme.

**RESUMO:** O projeto objetiva explorar as mais diversas possibilidades musicais através da exposição e experimentação de esculturas sonoras itinerantes. A comunhão da música com as artes visuais é a definição singela do trabalho do artista e construtor de instrumentos, João Fernanda Arrais Seródio, que expos seu trabalho em 05 praças do município, levando uma experiência visual lúdica e interativa combinando a reutilização e reciclagem de diversos materiais utilizando a música como fio condutor.
